

Organizing New Tribes NOW!

Program Philosophy: To foster a lifetime friendship between father and child. It is a great way for *busy* dads to spend *quality* time with their son or daughter. This is Dad's opportunity to be involved in *organized* activities with his children. **You'll never regret it!!!**

Participation: Pairs of dads and daughters or dads and sons are organized into individual tribes. Each tribe meets once per month to enjoy an activity together. Meetings are fun & games, crafts, stories, hiking, adventures and always have snacks and drinks.

Longhouse: Once per month, all tribes are invited to enjoy a large event together. We do cool things like parades, tobogganing, ice skating, pinewood derby car racing, sporting events and camping – most times the whole family is invited!
